

School Annual Education Report (AER) Cover Letter 2023-24 School Year

February 11, 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Faxon Academy. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. Our staff are available to help you understand this information. If you have any questions about the AER, please contact Mrs. Erika Beal 248-301-9909 for assistance.

The AER is available for you to review electronically by visiting the following website.

<https://www.faxonlia.org/Annual-Education-Report> or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was identified as a Comprehensive Support and Improvement (CSI) school.

Under this identification, Faxon Academy will be working directly with the Michigan Department of Education Partnership District and the Oakland Intermediate School District to secure much needed resources for school improvement planning, strategic planning strategies, curriculum development and continuous professional development. We will continue to follow the design of our education program that is aligned with Michigan state standards and places strong emphasis on early literacy, math for logical reasoning and foreign language (Japanese) for cultural exploration.

To ensure the continued move toward all scholars being proficient we derive data from state standardized testing, along with local benchmark assessments that are used to inform instruction and interventions utilized daily for individual student growth plans, as well as whole school achievement.

State law requires that we also report additional information.

Process for Assigning Pupils to the School

- Students are accepted at Faxon Academy after parents and/or legal custodial guardian complete an application, which includes the following requests/verifications:
 - Child's birth certificate
 - Child's immunization records
 - A copy of the parent/guardian's driver license and/or state identification
- Faxon Academy holds a board approved open enrollment period for current students and new students. If any grade is over-subscribed, a public lottery is held to determine seating based on a waitlist. Faxon Academy enrolls students on a first-come, first-serve basis if there is an opening.

The Status of the 3-5 Year School Improvement Plan

- Faxon Academy has an approved School Improvement Plan (SIP). The SIP is being implemented and monitored. Mid-year goals will be analyzed and reported based on the district NWEA/MAP data from fall 2023 to winter 2024. Continual improvement and instructional adjustments will be made with the submission of the School Improvement Plan in MICIP.

A Brief Description of Each Specialized School

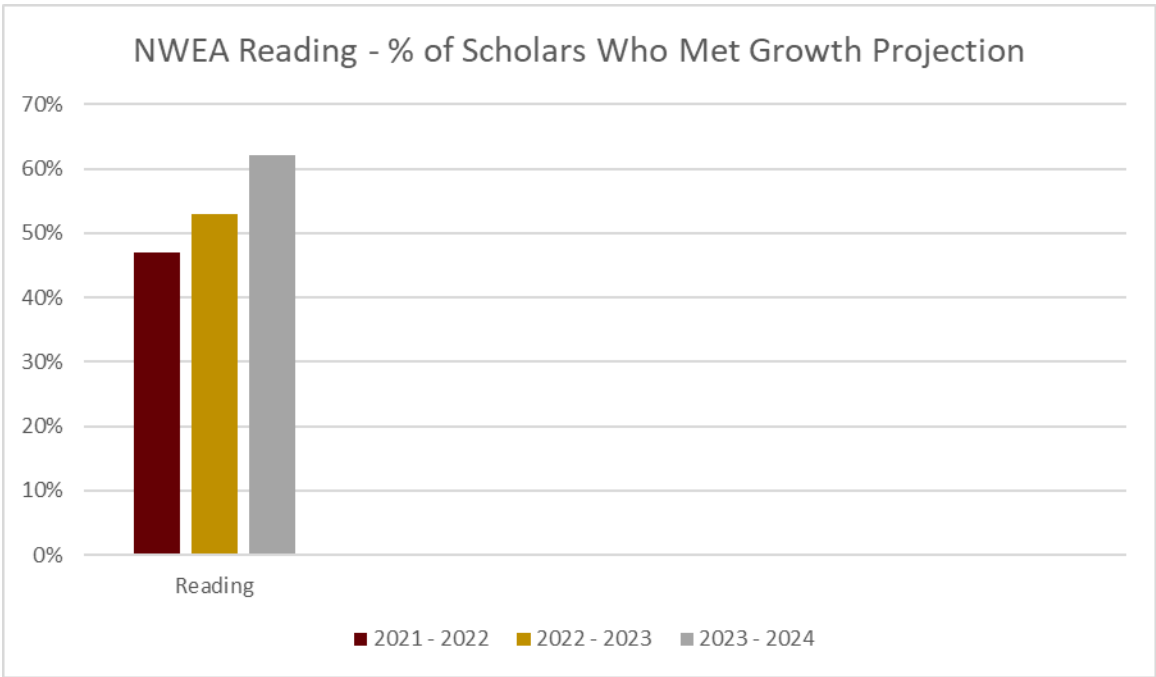

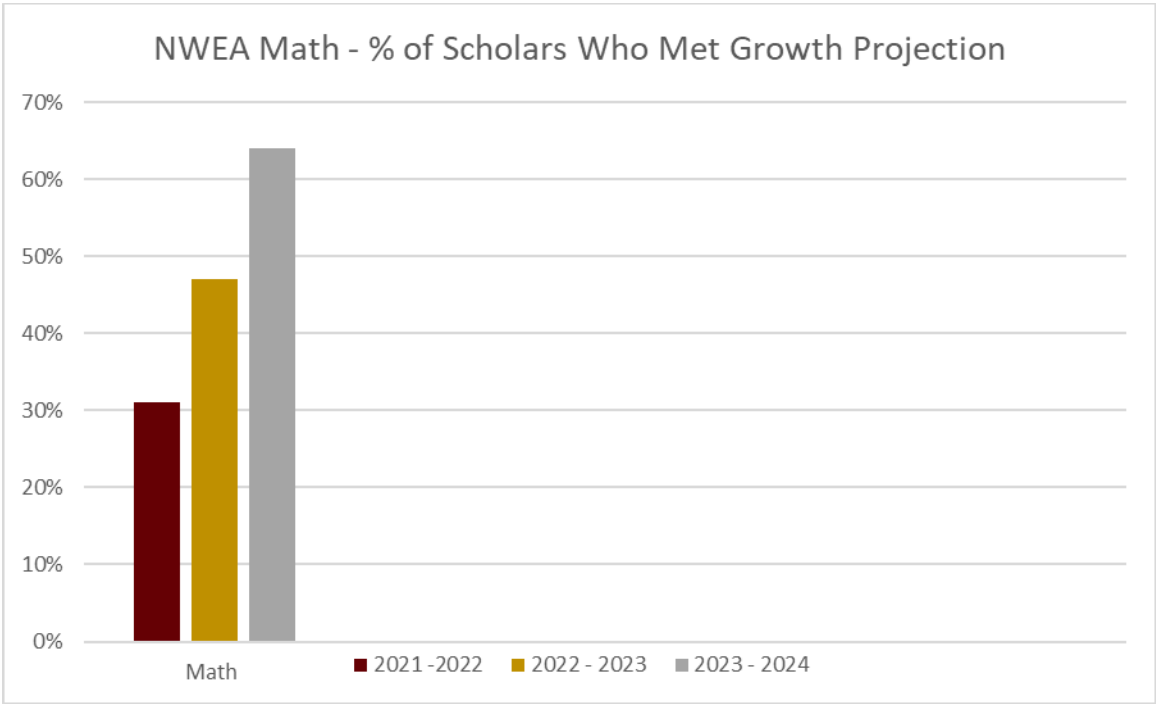

- Faxon Academy is a single district school.

Core Curriculum Information

- Faxon Academy's curriculum is based on Michigan standards with a focus on each individual student's needs. Upon written request, parents/guardians have the right to inspect any instructional materials used as part of the educational curriculum. Parents/guardians have access to the instructional materials daily from the classroom teacher. Any additional instruction material can be provided by written request received by the principal. The term instructional material means any learning materials provided to the student, regardless of its format, including printed and representational materials, audio-visual materials, and materials in electronic or digital formats. The term may not include academic tests or assessments.

Local Aggregate Student Achievement Results

- Students at Faxon Academy take a nationally normed assessment called MAP provided by NWEA. This assessment is administered three times a year to understand how Faxon students compare to other students. In addition, the MAP assessment provides for individual growth targets. This assessment allows the Faxon Academy staff to make necessary adjustments to inform instruction to meet all Faxon scholars' individual needs.

Parent-Teacher Conferences

- Faxon Academy holds two parent-teacher conferences each year.

School Year	Fall Conferences		Spring Conferences	
	# of students represented by parents	% of students represented by parents	# of students represented by parents	% of students represented by parents
2022-2023	120/123	98%	107/118	91%
2023-2024	120/126	95%	97/117	82%

Traditional schools operate from a very nearsighted lens, in efforts to condition students to be successful in neighborhoods, communities and localities. This approach is outdated and falls drastically short of where scholars need to be to experience success in our now, GLOBAL SOCIETY. Our neighborhoods, our schools, jobs, and businesses are all multi-cultural. We are integrated and indeed co-exist. However, the Global Mindset Program is organized to implement platforms, develop opportunities and to create experiences that produce globally intellectual, interactive, and culturally sensitive members of society.

Faxon Academy has implemented a Multi-tiered Support System (MTSS) to ensure our scholars receive academic and behavior support needed to achieve grade level standards and to fill any achievement gap areas where they may struggle. We have an intervention team that consists of in-school tutors that push in and pull out as an additional layer of academic support in tiers 1-2. We have incorporated an academic intervention hour that allows students to work on their individualized work paths based on diagnostics taken on the i-Ready, a technology-based program that is aligned to grade level common core standards and foundational skills that require more practice. The academic intervention hour supports our differentiated approach to ensure ALL STUDENTS can review/practice without being pulled out of class during instruction and allows students who have the greatest need to have more individual time with the teacher.

We have updated curriculum resources that are MDE approved as high-quality resources aligned with the Michigan Common Core Standards. We have placed a significant emphasis on recruiting certified staff and/or individuals who are in a teaching program to expose our students to high quality instruction. Through the guidance of the instructional leader, and supports from our MTSS coordinator, instructional coach, certified mentors and educational program partners, our students are exhibiting growth each year that surpasses the norm, trending toward proficiency on every grade level as well as practicing content discourse to deepen the scholars understanding about what they are learning.

Sincerely,

Erika D. Beal, M.Ed.
Principal

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
